DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on October 14, 2009 has been entered.

Response to Amendment

2. This office action is responsive to the amendment filed on October 14, 2009. As directed by the amendment: claims 1, 15, 20, 26, 27, and 40 have been amended, no claims have been cancelled, and no new claims have been added. Thus, claims 1-40 are presently pending in this application. The list of claims filed December 11, 2009 does not present any new amendments to the claims and has not been entered. The Terminal Disclaimer filed December 11, 2009 has been entered.

Terminal Disclaimer

3. The terminal disclaimer filed on December 11, 2009 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Patent No. 7,226,434 B2 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Reasons for Allowance

4. Claims 1-40 are allowed over the prior art of record.

5. The following is an examiner's statement of reasons for allowance: the claims in this application have been allowed because the prior art of record fails to disclose either singly or in combination the claimed device.
6. The closest prior art of record is Woehr et al. (US 6287278).
7. Regarding independent claims 1, 15, 20, 26, 27, and 40, Woehr et al. fails to teach among all the limitations or render obvious a first leg and a second leg comprising the structural limitations as claimed which are biased for convergent movement toward each other.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
